

# TEECH

## Volunteer and support a community this summer

**Enthusiastic volunteers wanted for charity project 15th - 30th August 2015**

Would you be willing to spend two weeks this summer helping improve the lives of children in a small village in Moldova, Eastern Europe? The charity TEECH will be installing toilets, sinks, showers, urinals and water heaters into a school to give children, for the first time, indoor flushing toilets. You will be hands on learning new skills, or sharing your skills if you are a tradesmen, visiting and learning about a country you may have not heard of, meeting new people and being part of a team.

TEECH ask that volunteers raise a minimum of £700 towards their expenses (coach to/from Moldova, hotels on route, food at hotels, food on location and insurance), and the cost of the project itself.

If you or anyone you know might be interested in this unique experience please email [holly@teech.org](mailto:holly@teech.org) or call 07786015784. More information can be found on our website [www.teech.org](http://www.teech.org)
